*HIS COCK TAKES A TRIP  
AROUND THE WORLD!*

# LEA & TIMO

Lea's parents thought it would be cool to leave her home while they went to Cancun for a weekend. According to her boyfriend's dick, it was more than cool! "He got over here before their plane took off and spent the next three days fucking every hole I had!" Lea explained. "His cock went from my mouth to my pussy to my asshole, in all sorts of combinations and configurations! When he blew his wad in each of my holes, I knew that not getting the invite to Mexico was a pretty good deal!"

*TRUTH OR DARE:  
BEST GAME FOR PUSSY EVER!*

# ANDI, JESSE & KATE

**W**hen three horny girls get together and there are no men around, what should they do? Why, drink a little wine and play a friendly game of Truth or Dare, of course! "Andi dared me to lick her pussy on my first try!" an exhausted Kate declared. "So, I did it, and before I even knew it, Jesse had her fingers in my cunt, then we were all totally making out! It was crazy! At one point, I didn't know who was fucking me or who I was fucking! There was just tons of tits and pussy being licked and fingered and fucked! It was awesome!"

**C**ollege is a time to study, work hard, play hard and experiment. For Kissy, experimenting means way more than most girls! "I didn't want to try kissing girls in college; that's fucking played out! I wanted to take on as much cock as I could! And believe me, the local frat houses were more than willing to help me out! One night I had two guys in me at the same time. They went from hole to hole stuffing their meat in me. I was getting the banging of a lifetime! I must have cum like nine times before they finally did! By the way, getting two loads worth of cum on my face was the coolest fucking thing ever! I love college!"

# THREE HOLES TO KEEP US WARM!

I t was fucking freezing out and this guy James and I were sprinting back to my dorm after class. It was seriously cold, like seven degrees, and it felt like there was no way we would ever thaw out. We got into my room and James hugged me tight and said, "I know how we can get real warm, real fast!"

I knew what he was angling for. He wanted to fuck. It's not that I was a prude or a virgin; I was at times kind of a slut, you know? It's just that we had met like two days before and yeah, we hooked up a little—he fingered me and I gave him a good blowjob and all that—but I wasn't sure if I wanted to have him in me. But because of the cold, having him rail the fuck out of me sounded like a pretty good idea.

"Alright," I said, "Let's get each other nice and toasty!"

Before the word "toasty" got out of my mouth, James' cock was out and he was already peeling my pants and panties off of me. His tongue lapped at my pussy and the more he licked, the more I got wet. I felt my girl juice run down my leg and he eagerly slurped it up. When he got his two fingers back where they were a few nights ago, it felt so fucking right! I wanted his dick real bad, so I told him to stop. I dropped down to my knees and put his entire rock hard cock into my mouth. I sucked him off and simultaneously stroked him with my left hand as my right hand made its way down into my soaked cunt. I fingered myself a little more just to get it ready for his thick 10-incher.

I had James lay on my bed then I straddled him and put my pussy right onto the head of his meat. My slit was super wet and throbbing and with one quick pop his cock was plunged deep inside my 19-year-old snatch! James pumped me as I bucked my hips into him and we got into this insane rhythm.

"It feels like your pussy is sucking me off! How the fuck are you doing that?" he asked.

I didn't really know, but I didn't want to come off like an idiot.

"I have all kinds of surprises for you!" I moaned. I figured I had to follow that declaration with something awesome, so I

started to finger my asshole and give him the ride of his life. When I pulled his hog out of me, James looked a little disappointed. I think he was ready to cum, but I definitely wanted to control where that happened! When I directed him into my tight little butt-hole, he didn't say a fucking word, but his expression was all I needed. It was like he came to the realization that I was a sex goddess. He was right.

His shaft got all the way up into my asshole and when I sat down on it, he started to pump away with these short little strokes. Once he got officially balls deep in my butt I knew he was going to cum soon. I started bouncing up and down a little and grabbed my tits and started sucking on my nipples

just to give him a good visual. James got his fingers back into my cunny and before I even thought about it, I came with a quick shudder. And at practically the same time, James unloaded his nuts into my hot, totally fucked asshole. I never had that much cum in there! I got off him, hoping that the semen leaking of my ass

wouldn't get onto the sheet and blankets. We were both completely spent. I gave his cock a little kiss and told him that I was absolutely warmed up. Actually, I was pretty hot and asked James to open the window, but that fucking jerk-off was already asleep! Oh, well! At least we weren't cold!

**KARI & VIKTORIE**

**Y**ou may not be able to teach an old dog new tricks, but you can teach a young slut any fucking thing you want! The day 18-year-old Kari was initiated into her sorority, she was paired up with 23-year-old Viktorie. Not an outrageous age difference by any means, but in terms of sexual experience, they were light years apart. The first thing Vik taught her nubile nookie rookie was the fine art of pussy eating. "This is how a guy should lick your pussy," she declared as her tongue deftly traced the light pink folds of Kari's slit. "And this is how you treat my hot little pussy," she said as she guided Kari's mouth delicately around her cunt and asshole. And this, my friends, is how two hot girls cum!

DIRECTOR  
JAY SIN

SLUTS  
JAYDA DIAMONDE, KATIE ANGEL

ARTICLE & PHOTOS BY  
JEFF HUBRIS

Jay Sin makes very perverted, unusual porno. He flies a freak flag of a different color. His X-brain goes to places that other less committed minds will not wander and his movies look like no others. He creates a strong visual mood and will wait patiently until he gets what he wants. If that doesn't happen he cancels everyone and everything and will try again another day. Today he has enlisted the services of Jayda Diamonde and Katie Angel, two girls who appear to be from different porn planets. Jayda is a total vaginal and anal sexual athlete. She is a vociferous, orifice-gaping internet sensation from Cleveland and Jay books her up when she's in L.A. because she can do crazy things with her pussy and ass other girls only dream about. That is, if they're even into that sort of thing. And Jayda Diamonde definitely is. Katie is on the quiet side. She moves about the room reticently but seems ready. Her thing is less defined at the moment. Guess we'll find out.

Jay has assembled a small storefront made up of bins filled with an assortment of huge, round and long lollipops, licorice sticks and gummi bears. Attached is an awning that reads "Candy Stand!" The set is decorated with an arrangement of stuffed animals and pink pillows. Conspicuously absent are the well-worn beds and dingy, stained sofas upon which hundreds of porno bangouts are taking place at this very moment across the spiritually squalid San Fernando Valley. Rather than default to whatever trimmings are available, Jay Sin assures absolute quality control by creating his own. "This is the candy store," he explains. "It's going to be really sticky and sloppy. Katie can deep throat and make a big mess. She's been in the military and she knows how to take directions and she'll do anything. And Jayda will do ANYTHING, so I have a great canvas to work with and it's going to be a mess. I want to turn this rug into an art piece of just all different colors. I want to have to throw it away when we're done."

It is telling that Jay refers to his set as a canvas upon which one can paint a dripping mess of lesbo porn. Others would employ this metaphor in a more humorous context. It would have to be a joke: Here's my porn set canvas upon which I will create a lasting piece of pornographic art! Yeah, right. But Jay Sin does not mock. The rug WILL have to be thrown away, hopefully. No, really, he's serious.

Katie is the taller of the two, and is tricked out in a pink wig and accompanying pink and white fetish get-up. For Jayda, Jay has chosen a matching yellow and pink stocking and bikini top costume with white platforms. Both girls are color coordinated in his Candy Land fantasy. It's a visual mood moment. "We're going to get there slowly," Jay says to the girls. "Basically you're going to start out looking in the camera and kissing. Then you're going to work your way down. I'll tell you exactly what pose I want but for right now I just want to start with the kissing and the nipples."

"How do you kiss? Are you like a tongue person?" Katie Angel asks Jayda.

"It's definitely tongue," Jayda answers immediately. "I love tongues."

Jay Sin says, "Suck her tongue. Like I want to see the tongues five inches out! I love sucking on tongues. Have fun!"

When there is no male talent, whose orgasmic arc and resulting load delivery moment has to be considered and managed, stops and starts don't matter. No wood will be lost that needs to be regained again and again. Jay shoots the intro and introduces lolipops into the make-out, but he wants more.

"Not so robotic," he tells Katie. "Touch yourself slowly. You're like military style right now. You have to have fun. When it seems robotic it looks like it's too directed. I want to see a little bit of your personality. Like you really like it and want to get turned on. Get into it. Touch each other and be a little more sexual, okay?"

**JAYDA DIAMONDE:** I'm twenty-three. Before I started porn I did anal, it was my favorite. There was a point in time I could only cum from anal, so I guess that's what fed the obsession. I used to bang a lot. I'm a complete nympho. The longest I've had sex was about six and a half hours straight. That was awesome. I have a huge, super sensitive clit, so it gives me really good orgasms. There are different kinds depending on what you are doing: anal, clit, pussy, DP—it's completely different. Anal and DP are probably the most intense orgasms for me. I prefer fatter cocks for DP so I can feel them pushing into each other. It's so good, especially when you slide a finger up there. You can feel it running in and out of your other hole. It's awesome. When I orgasm from anal it comes on immediately, I don't have a three minute period where I start to feel it. All of a sudden I can feel it and ten seconds later I am cumming all over the place. It's definitely pretty cool.

The plan is for the candy to be eventually moisturized by enough body fluid to the point where the resulting spume becomes another character unto itself. Jayda has a few ideas on how to maximize the slop quotient. "You know the long strings of drool?" she says to Katie. "You know what I'm talking about. Just get a little bit of that so when you lick the lollipop it strings out all over it. And then when we kiss make sure your tongue is out so the camera can see it."

Jay Sin agrees. "Yeah I love the big strands and you know what's fun is when you girls can play with it, twirl it and suck it in and out," he says. "And the bubbles, so it gets foamy. I love spit. For the first shot let's get a candy stand. I want this to become a mess."

He's shooting but the level he wants is not being achieved. "I don't want the normal stuff here," he says in a serious tone. "I'm paying you girls extra. I want the foamy, take your time, blowing bubbles shit, you know?"

After a good while a reasonable facsimile of what Jay Sin has in his mind is completed and it's time to move on. The next stage will entail deeper involvement with the assortment of candy. He gets Jayda on her back and fills her pussy gape full of jelly beans. This is officially the first, jelly bean-filled pussy I have ever personally experienced. Here again, a female erotic zone is arguably de-eroticized by an overload of an arguably non-sexual item, in this case jelly beans, and is at the same time hyper-eroticized by the weird novelty of it all. This is not your everyday porno. This is bizarre, vaginal theater of the absurd. And that's the key.

**KATIE ANGEL:** I'm from southern California and I've been in porn since 2008. I used to be a leasing consultant. I needed money and figured that I might as well get paid for what I love to do. Actually, porn opened me up and educated me about a lot more things, about positions and how to be a lot more open-minded about sex. I like the guy to be a little dominant with me and kind of choke me a little bit and tell me not to touch him. I like it when they tell me that they love me, like whispering it in my ear or whatever. That's one side. The other side is that I like it to be so sensual with candles and music and that kind of thing. I don't really know why on a mental level I like being dominated. I like the way it feels when I'm being choked but not like an extreme choke. It brings a rush through my life. Aside from porn my life is very boring. I'm a regular person just like anybody else. I watch TV and I listen to music. I go swimming and I do modeling things on the side. I just want to live one day at a time.

Jay Sin breaks out the huge, multi-colored, ball-shaped lollipops and shoots the girls doing each other with them in both the pussy and ass. He directs them to step it up slowly by taking the lollipop sticks between their teeth.

"You know what would be neat?" Jay asks. "If you just pull it out really slow, like super slow. Okay?"

He still wants some more expression from Katie Angel and asks for communication on her part.

"I'm sorry," she replies quietly. "I'm not all that good at talking."

No problem. This is porno play time and Jay Sin is the playground events coordinator. "Get into it like you're loving it!" he says harmlessly, "And smile, okay?"

At one point one of the lollipops nearly disappears up an asshole. "Don't worry," Jay says confidently. "If anything gets stuck up there I can get it out, no problem."

And he's not lying. Jay Sin is the Cavity Search & Strange Anal Implement Extraction expert. We're safe here. Next the girls do each other with dildos. Katie takes a red plastic penis in her ass no prob and Jayda's rectum totally engulfs and hoovers a large, clear glass toy with sizeable bumps on it. She has been throwing incredible gapes from both her money holes all day long. In notable contrast to her very slim physicality, her anal and vaginal hollow spaces are considerably pliable.

"Yeah, I think I might have sort of a physical talent to take stuff up there," she says modestly. "I think I'm just built that way."

This is just one more moment in the continuing episode of Jay Sin's anal and vaginal experimental kindergarten for adults. A place where possibilities are stretched and new anatomical vistas are realized. Arrive with an open mind and prepare to be surprised. And don't forget to have fun; You just might learn something!

# CALI & KENNY

27522

**C**ali would never have expected the biggest nerd in the class to have the biggest cock she'd ever seen and a penchant for anal sex! "I couldn't believe that he was so big and into such weird stuff!" Cali told us. "Like, the first time we did it, he pulled out of my pussy, dropped down and starting licking my ass! I was going crazy and begged him to fuck it! Ever since then, we've been doing it in my asshole every time! The cool thing is, even after he cums in my pussy or mouth he'll stick it up there, just for the fun of it! No girl would ever think he's such a freak!"

WAITING FOR YOUR HOT CREAMY LOAD!

CINDY

Cindy can't keep her fingers out of that tight 18-year-old slit and who could blame her? If you were able to slip a finger or two in there on an hourly basis, wouldn't you? We sure as fuck would! So while Cindy slams her kitty into an unbelievable orgasm, we are left holding our dicks thinking of what could be! Of course, that's what gets her off the most!

"Having a guy jerking off to me is such a fucking turn on!" Cindy admits. "I like to think of you shooting your hot creamy load deep inside me hot wet pussy!"

CLEANING UP AND GETTING FILTHY!

# MIA & TIM

**F**or European babe Mia, backdoor sex is where it's at! "I prefer it up my ass," she said. "I know I won't get into any trouble, my boyfriend's cock fits perfectly, and he's able to cum in seconds! He said that my asshole feels so good it makes him want to finish real quick! And for some reason, when we get outside and do work, the fresh air makes me want to give up my ass even more! Crazy, huh?!"

LATE NIGHT LESBO GAPE PARTY!  
**STELLA, VANESSA & SARAH**

Everything you ever dreamed about at an all-girl sleepover party is 100% fucking true, and we do stress the “fucking” part! Stella, Vanessa, and Sarah were covered in girl-cum for eight straight hours, getting their fingers wrinkly with spit and slit juice! No hole was off limits and the contests to see who had the best tasting pussy and butthole, who could have the biggest gaping orifice, and who had the deepest throat were never really answered. But in reality the true winners are you and me checking out these three babe’s unreal bodies! Hooray for lesbian teen sex!
